Patient Billing Acknowledgement Form
Maintenance/Elective Care

Under your health plan, you are financially responsible for co-payments, co-insurance or deductibles for covered services. You are also financially responsible for all non-covered services, including care determined to be elective or maintenance.

Maintenance/Elective care is treatment that does not significantly improve a clinical condition. While being treated for a chronic condition, you may elect to receive care beyond that which is determined to be medically necessary. You may also choose to receive care once maximum benefit from treatment has been reached.

If, during the course of Maintenance/Elective Care, you develop a new condition or a previous condition becomes significantly worse, care may no longer be considered Maintenance/Elective and may then be covered by your health plan. Your provider must submit a request for insurance coverage.
